James W. Adams

In compliance with the request of the Colonel
I should respectfully submit the following
The detachment of Co D 33rd Regt I. O. consisting
Lieutenant, one Corporal and thirteen privates
under the command of Lieut Robinson and stationed
at the mouth of the River. The Lieutenant being absent
on duty at the Dept Head command. Captain
of the same, of rank, Robinson's and 30/100 in the
ground the United States Merchants vessel was
at anchor and lying at the wharf supported
by Capt. Johnson. The vessel succeeded in reaching
the wharf outside of the range bar and the
vessel getting up the shore for the night, went
to anchor. Immediately thereafter, at which time one
of the crew of the vessel, James O'Leary, and with
him followed was by Lt. Drake when the vessel
was unguarded, and lying at the wharf
the report of the vessel O'Leary and when
O'Leary came out stated that O'Leary came to
the vessel, mentioned my name, that O'Leary
had a challenge to the Command, Stationed
at the mouth of the River, which would arrive that night
and would be glad to have myself and men
of the command. Capt. O'Leary apparently
unconcerned, declined my offer, replied he
was going to Col. Buff asking protection
and would better remain at O'Leary's command, that
he would do nothing that night and anticipate
nothing before the night following. In compliance
with request Lieutenant to O'Leary's command

Fort McRae, Sept. 5, 1862.

Sir,

Capt J. A. Sells, C.S. & Co. arrived here on the 2nd inst, and communicated to me his order to muster my Company into the Confederate States Service. During the ~~last~~ ^{last} they seem have refused to Muster in for a longer period than the term of their enlistment, which is 12 months from the 1st day of April or May last. But are all desirous of leaving for that time, and I am certain that nearly all of them would leave one or two years afterwards if wanted.

A respectable citizen of this place Dr. J. O. [unclear] has just arrived from Mexico, and reports to me the following intelligence: "Cortina is near Mexico raising men to invade the Texas frontier. A party of soldiers sent from Matamoros to disband him, he showed a Commission from President Kearney, ordering the Commanding Officers not to molest him, he also showed a Commission from Lincoln; the soldiers went back without molesting him."

I believe the report of his having the Company to be false, but it is a pretense - I expect a party of from 50 to 200 men from Mexico at any moment to rob and murder the

the frontier settlers and perhaps burn the
towns on the Rio Grande.

I start today down the river with 50 men
to watch any movement Cortinas should make
and be ready to meet him, should he attempt
to cross the river. I intend sending a few men
into Mexico, to know something definite
and will report to you immediately.

Dear Sir

This Company (Capt Bennett)
is one of the Companies called out by Genl Clark
for Col Davis Regt for 12 months, by some misman-
agement it was not mustered into the Confeder-
ate Service with that Regt nor has it ever been
mustered into that service - Genl Van Dorn
ordered it to be mustered for the war (why
I do not know) and they decline to muster
for longer than 12 months from the date of
their entry into the service 1st May 1861
and really I do not see that they are
under any obligation to do more than
that. This Company is commanded by
a reliable Mexican who is a property owner
and resident of the section in which his Co
is operating (near Comstock) and his Co is Com-
posed of men of property owners on the
side the Rio Grande, he has many friends

on the other side of the River and has
influence there, hence I think he might
be service to us in our present
struggle in keeping things quiet on this
side and under good service on this.

If Genl Weber agrees with me
in opinion, an interest releasing this
Company it is necessary to commu-

Sir

I learned a day or two since that the authorities at Miss. had ordered and sent to Matamoras for trial, four of the worst robbers that have infested our border. I am satisfied that the Missouri officers on this part of the river are doing what they can to stop the depredations of the banditti in our frontier. I know most of them to be men of standing and integrity. They have given me every assurance that I may find the same wherever and whenever I may deem it necessary in pursuit of them, and would that I shall have all the aid they can give me.

A short time since I reported to your friend Gen. that I had as prisoner a robber taken with a drove of stolen cattle. Having conclusive evidence that he was manufacturing for our frontier, and that he had murdered or largely participated in the murder of a man named Blackhart, on the Missouri, about last Christmas, I bring him in this time.

I yesterday received an express from the
party that I had sent out to Phoenix to recover
a horse of horses stolen the latter part of January
in the Success, stating that they were on the way
to the post with the horses and would probably
arrive to day. I think that on this part of the
line, the operations of the robbers will be very limited
if not entirely checked.

Last evening I received an express from
Madon the flour contractor, that he wished to
pay the flour at this point, instead of at Eagle
Creek, if he could have permit to do so. - That
I sent to Mendoza to advise him that I
could pay all his flour at this point.

Head Quarters

Antony, Texas

April 30th 1850

The dispatch of the 21st inst has been
sent to you as my action is concerned.

I regret to have the enclose a copy of the
order. I regret to have to state that I am
unable to state Head Quarters, I am therefore
accountable for his absence from his
post. I might have found in replying
to you and leave my official conduct
in part of the fact to stand the best
testimony without any explanation
or apology. But by so doing I might
be ignorant of Military Law, which
is strictly upon a life time association
with the Army and the relations of the service
in which plea I am not disposed
to rely myself.

I therefore state the circumstances
which locate Bennett was detached from
at released from Jackson, Miss; with the
has sent by order of Brig. Gen. Bee
your funds for the Ordnance Department
I was assured of his reliability and
respect. He arrived here after his

July 11th for Beersville.

General's Staff Army and the Army
officers were extremely urgent in their
for munitions of war, and I ordered the
Department to supply them with 100,000 rounds
of small arms and 100,000 lbs of lead.
I have been represented to me that he could
obtain it without materially reducing his supply
most important that these munitions should be
obtained. I have seen Gen. Clark's report, and
with a very limited supply of ammunition
I think that Major M. M. M. the Sr. Marine Corps
should give his personal attention to the
matter. He is readily conversed to do, if I would be
able as he could have no one to attend to
during his absence, and suggested I write
with respect to have had heavy dealings,
he was familiar with his contracts. I have with
a copy of his application. With a full knowledge
possibility, but believing that my course would
be sustained, but that I was approached by Col. Duff
and the Genl. Comdr. I defined Genl.
Clark to write to him for thirty days, the
length of his absence, which he was enjoying
the supplies to Genl. Clark's Army.
The satisfaction to me in your disposal that
I have no such details must be made without
the consent of the Committee, as I have been
informed that I have deemed it proper

I have the honor to receive one of the
orders of the General for good and subject to
which he has assigned to my best efforts to
comply to the utmost of my ability.
I do not propose to make any comments upon the
order or upon the officer who thought it proper to
indirectly censure me without first demanding
evidence of my conduct, when it could have
easily obtained; but it is proper if possible to place
before the General the possibility of a recurrence of the
facts that I have felt.

I herewith enclose my application
for leave to relieve me from this command
and to report directly to the Head Quarters.
My respectfully request may be forwarded
to your immediate Commander.

I have the honor to be,
Very Respectfully,

Whilst I am satisfied that Genl Bee has acted from a high sense of duty in indirectly censuring me, in his dispatch of the 21st April I feel that official courtesy, (if nothing else) required that an opportunity should have been granted me to make an explanation. It is proper for me to say that Private Bennett is the only detail made by my order since I have been in command, and the circumstances of that case have been laid before Genl Bee.

Head Quarters

San Antonio Texas

April 30th 1863

Major:

Your dispatch of the 21st inst has been received, and so far as my action is concerned, has been obeyed. I herewith enclose a copy of the order issued. Sergeant-Major Dixon, has never reported to these Head Quarters, I am therefore in no wise accountable for his absence from his command.

I might here pause in replying to your dispatch and leave my Official conduct as Commandant of this Post, to stand the test of your criticism, without any explanation, defense or apology. But by so doing I might admit an ignorance of military law which would reflect severely upon a life-time association with the Army and the customs of the service; and under which plea I am not disposed to shield myself.

I therefore state the circumstances under which Private Bennett was detailed. He had just returned from Jackson, Miss. whither he had been sent by order of Brigd Genl Bee, to bring over funds for the Ord Dept; and thus I was assured of his reliability and business capacity. He arrived here after his command had left for Brownsville.

General Steell's Army and the Army near Little Rock were extremely urgent in their demands for Munitions of War; and I ordered the Ord Dept. to supply them with 100,000 rounds of cartridges, 30,000 lbs of powder and 60,000 lbs of lead, (Major Maclin having represented to me that he could spare that amount without materially reducing his supply.)

It was most important that these Munitions should

be transported without delay, as Genl Steel reported heavy skirmishing, with a very limited supply of ammunition, and I insisted that Major M^cMeety, the Quarter Masters Agent for that Army, should give his personal ^{attention} to the matter.

This he readily consented to do, if I would detail somebody, (as he could hire no one) to attend to his business during his absence - and ~~recommended~~ ^{suggested} Private Bennett, with whose house he had heavy dealings, and who was familiar with his contracts.

I herewith enclose a copy of his application. With a full knowledge of the responsibility, but believing that my course would not only be sustained, but highly approved by Col Duff, Brigd Genl Bee and the Genl Comdg.

(I detailed Private Bennett, to attend to M^cMeety's business for thirty days, the supposed length of his absence, whilst he was urging forward the supplies to Genl Steels Army.

The notification to me in your dispatch "that in the future no such details must be made" without qualification or limitation, so completely ties my hands for all useful purposes, that I have deemed it proper to apply to the Maj Genl Comdg to relieve me from this command, where I am powerless for good and subject to criticisms, which do great violence to my best efforts to serve my country to the utmost of my ability.

I do not propose to make any comments upon the course which my superior Officer has thought proper to adopt, in indirectly censuring me without first demanding an explanation of my conduct, when it could have been easily obtained; but I prefer if possible to place myself beyond a pos-

- sibility of a renewance of the mortification I have felt.

I herewith enclose my application to the Genl Comdg. to relieve me from this command or allow me to report directly to his Head Quarters - which I respectfully request may be forwarded through my immediate Commander.

I have the honor to be
very Respectfully

(To be used, in duplicate, in all cases of discharge on account of disability.)

Private J. G. Billingsley of Captain Thos. E. Snud's Company (C) of the 33rd Regiment of Confederate States Texas Cavalry...

was enlisted by Capt. H. C. Holman at the Enrolling Office Regiment of Travis Co. Texas at Austin on the 15th day of September 1863, to serve for the war years; he was born in Anson Co. in the State of N. Carolina, is

forty four (44) years of age, six feet seven inches high, Dark complexion, Hazel eyes, Grey hair, and by occupation, when enlisted, a Farmer.

During the last two months said soldier has been unfit for duty the whole time broken down constitution on account of old age, though apparently willing enough on conscription, as there has been no other enlistment, and during that time has been unfit for duty.

STATION: Camp Gano and Ferry. DATE: November 15th 1864.

Thos. E. Snud Capt. COMMANDING COMPANY.

CERTIFY that I have carefully examined the said J. G. Billingsley

of Captain Thos. E. Snud's Company, and find him incapable of performing the duties of a soldier because of Lumbago and general Rheumatism.

In addition to old age renders him unfit for duty he has been most of the time on treatment and in our opinion is not able to undergo the vicissitudes of camp life and respectfully recommend a Discharge.

I went to Big Bayou in a boat called "Hills"
one man with flag of Texas on the 2^d inst

of North Head, about some twenty four men
& children the most were men of war who were
good with the country and without an exception
were objects of curiosity & would have had to have
been supplied by the Government - and were
all in the same way in our Government, and
were disappointed in our Government, and
their location is better advantage with them
than with us. I found that there were
one Steam Gun Boat, one Steam Transport &
one Steam Tug, and also a few small
large Steam Gun Boats. A small
loaded one had a few or three masts
They have a boat with the steam, & believe

more scattered than I anticipated, & it was as to
Aransas say a distance of several miles.

San Antonio August the fourth 1864
Major general Magruder Commanding
District of Texas New Mexico and Arizona
Sir your honor I Louis I Brown Positioner
of Colonel Duff Regiment Co A 33 Texas
Cavalry appeal to your honor for Assistance
for which I am Charge of Major general your
Honor about four month ago I was sent to
Galveston to help bring A Rock battery
it was being ready I was sent back to Houston
and Mexico there some storm month and
during that time I got a letter from my wife
stating that she was sick and had sent
for the doctor and could not get him to
come to her assistance and that she was
without any thing to eat and had been for
some time and could not get anything
and Major as I had been a faithful Soldier
for nearly three years and had never had
A furlough I ask Captain Geyer for A furlough
to go home and provide something to eat for
My family and to look them up from
Tallagua to San Antonio he said that he had
No authority to give me A furlough but
I could go home and if the Rock battery
was first that he would come out West
with it and I could get with him at
San Antonio and so I come home and

When I got home my horse taken sick
and was not able to return and I was
Arrested and Confined in Irons and Charge
With Desertions which I am not guilty of
And Major General I appeal to your Honor
to Relieve me and if you will relieve
Me for which I will promise you that
I will return to my Command or any
other Command that you may please
for me to report to and make as good a
Soldier as my abilities will admit of
As I have done heretofore Major General
I Claim that I have been wrongfully
Treated as I have made my Country a good
and true Soldier for nearly three years
and never have had a furlow nor have
I ever ask for one until this time nor
would not of ask for one yet if it had not
of been that my family was sick and on
Inferance for something to eat and felt
it my duty to assist and protect them as
well as my Country but General I left my
family and went into the Service and
Served my Country nearly three years and
Left them at the mercy of Strangers and
When they failed to assist her then I Claim
that it was my duty to provide for her which
I done as I had no friends in this Country

Neither had they that I or my wife
could call upon to assist, he and so I come
home with a verbal permission from Captain
Gage and should if returned back to my ^{Command}
had not of been arrested and will yet if I am
Released and not Major General. This is to
see before you know and if you think that
I have done wrong I am willing to be
punished for it but if you don't think that
I have done wrong I hope that you will have
me released and let me return to my
Respective Command or any other Command
that you see proper to assign me to

Grant Leave

Dear Mr. Adams

Adams

I have the pleasure to acknowledge the receipt of your letter of the 15th inst. in relation to the subject of the application for a certificate of citizenship for the purpose of entering the service of the United States Army. The application is a complicated one, and it is not my duty to advise you of its merits or demerits, or of the interests in my office in the same. The Board of Examiners have already taken up the many changes made to the law, and have required a change from hand to hand, until all the cases have passed and become void and in a state of confusion. It is my personal attention since your account. The only person who can furnish satisfactory information is the person who has acted as my business agent, and it is not the duty of any other person to advise you. I can do nothing to assist you in this matter.

Early last summer I received a letter from you, with my name at Brunswick, in the name of the Medical Board, to enable me to receive a certificate of citizenship. I returned to me about a year ago, and I have not since. I have been in Brunswick since I have seen you. I have no share in the application, and I have no interest in it. I have no voice in the matter.

I am, Sir, your obedient servant,

John Adams

Dear Miss Smallwood:

Reference is made to your letter of 18 January 1952, herewith
attached.

The records show that William J. Card, a private of Captain
... Company, 1st Regiment Arizona Brigade Mounted
Cavalry, which subsequently became Company B, Harwood's Regiment
Texas Cavalry, Confederate States Army, enlisted 1 September 1862,
at ... No record has been found to show the year of
enlistment. The company muster roll for March and April 1863, latest
on file, shows him present. No later record of him has been found.

The records show that One J. M. Card, name not found as Joseph
H. Card, a private of Captain John T. Brackenridge's Company, attached
to ... Battalion Volunteers, which subsequently became Company K,
1st Regiment Texas Cavalry, Confederate States Army, enlisted 10 March
1862 at ... The company muster roll for May and June 1863,

This collection of records is by no means complete, and failure
to find the entire record of Confederate States Army service does not
necessarily mean that an individual did not serve at some period
not covered by the records.
